

QuadEdge-V2 Multi-Function Whistle Manual

Components

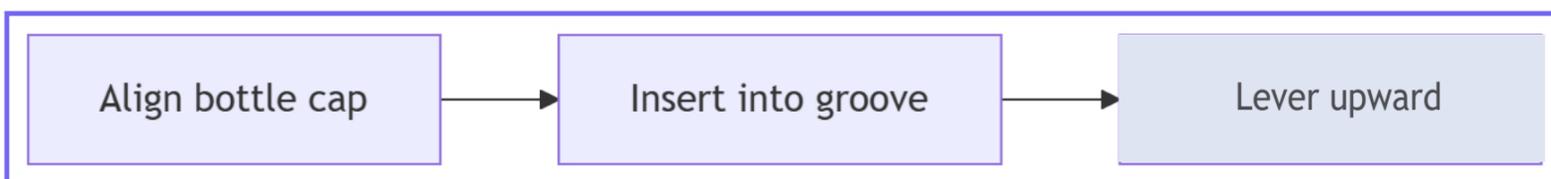

- A Main Whistle Body (Gold-plated / Chrome-plated zinc alloy)
- B 360° Swivel Lanyard (Breakaway safety clasp)
- C Double-ring Keychain Clip
- D Bottle Opener Groove

Functions

Whistle Operation

1. Place between lips with arrow mark facing outward
2. Use short bursts for commands, long blasts for emergencies
3. *Pro Tip:* Cup hands around whistle to amplify sound

Bottle Opening

Maintenance

- Rinse under running water after saltwater/outdoor use
- **Dishwasher-safe** (top rack recommended)
- Dry thoroughly before storage

Troubleshooting

Issue	Solution
Reduced volume	Clean air vents with toothpick
Lanyard stuck	Apply 1 drop lubricant to swivel
